Scholarship Application Instructions

We're so happy you are applying for our first-ever scholarship! Our goal is simply to heighten the awareness of personal financial management among graduating high school seniors. We ask that you submit a **500-word essay on what financial responsibility means to you** along with the other three items listed below. The deadline to apply is May 14, 2021. We plan on announcing a winner by the end of June. The prize is \$2,000.00 towards your 2021-2022 academic endeavors.

To help us select a winner, a group of anonymous, highly esteemed TVAMP clients will review each application. Your name will be removed from your application and essay to ensure fairness. Any of our clients who may have a conflict of interest with an applicant will not serve on our selection committee. Employees and family members of TVAMP are not eligible for the scholarship. This is not a need-based scholarship. 50% of the weighting of your application will be based on your answer to the essay question.

Please submit these items to us by May 14, 2021:

1. Completed Application
2. 500-Word Essay: "What Does Financial Responsibility Mean to You?"
3. Current Transcript
4. List of Community Service work, Extracurricular Activities, and Work Experience
